## **PART-II** APPLICATION FOR CORPORATION NUMBER AND REGISTRATION CERTIFICATE AS A PROFESSIONAL CORPORATION OF NORTH CAROLINA

This form (Part-II paperwork) is an application for a corporation number and registration as a professional corporation or a professional limited liability company with the North Carolina Veterinary Medical Board. Professional corporations and professional limited liability companies are subject to the requirements of the rules and regulations of the North Carolina Veterinary Medical Board and the provisions of Chapter 90 and 55B of the North Carolina General Statutes. Suspension by the Secretary of State and revoking of registration by the North Carolina Veterinary Medical Board may take place if there is a failure to maintain the registration of a professional corporation or professional limited liability company, on an annual basis. This may result in the inability to provide professional services. The Secretary of State's office will suspend the corporation until such time it has been dissolved, or has been reinstated with the Board. Annual renewal is required.
